~~SECRET~~ FOR AMBASSADOR BRUCE ONLY

Now that London Working Group in process of adjournment would be extremely useful if you could see von Brentano in time to let us have his reactions to Working Group activity prior to Secretary's departure Paris 27 April. This particularly important in view repudiation by Brentano of positions taken by German Delegation to Paris Working Group. In addition to any particular appraisal which von Brentano may have of results of activities London Working Group and German views on general situation we face at May 11 meeting, we should know whether we are likely to be confronted with significant German shifts of position at meeting beginning 29 April.
